**Seville Entertainment Center (left and below)**- As grand as the culturally diverse and artistically inclined Spanish city that inspired it, this dramatic entertainment center is sure to bring a touch of European elegance to today's home. Boasting strong, clean lines, the entertainment center's design is softened with petite bow swoops and garland drops. Available in any number of Habersham's signature distressed finishes.

**Jocelyn Dining Table (left)**- This grand dining table is a winning combination of masculine elements and soft detailing. The fluted, tapered legs and inverted acanthus leaf carvings add a touch of character and femininity. The name Jocelyn means "from the heart" and this table will quickly become the heart of any family's home.

**Carolena Accent Table (right)**- This quaint accent table truly embodies its namesake Carolena-meaning small and feminine. Adorned with a multitude of feminine touches, including decorated legs and an ornamental table base, this piece is shown in Habersham's Classic White finish.

**Messina Floor Mirror (right)**- This beautifully ornate mirror design was inspired by the Mediterranean's crown jewel city of Messina. Utilizing the filigree approach of twisting metal into original art, this top of this piece perfectly frames the mirror below. Show in Habersham's Sandemar Multicolor Studio finish, this mirror is available in any number of Habersham's signature distressed finishes.

**Harmony High Top 42" Table with Pedestal Storage (left)**- As functional as it is fabulous, this high top table provides hidden storage in its base, including a stemware holder.
