Kitchen Cabinetry and Fine Furniture From Habersham

CHICAGO, IL (JANUARY 2011) – Vintage Pine, Chicago's premier source for antique and custom furniture, announces the opening of the Alliance Kitchen Gallery (AKG). As the newest specialty gallery to open within Vintage Pine's 22,000-square-foot showroom/warehouse, Alliance Kitchen Gallery will further enhance the shopping experience for Vintage Pine's clientele of treasure hunters, art aficionados, interior designers and consumers alike with its selection of hand-styled designs from Habersham, a leading national manufacturer of custom cabinetry and fine furniture.

Joining 17 other specialty galleries within Vintage Pine's Lincoln Park West showroom, the AKG space is owned and operated by Myron Fry, whose Illinois-based independent sales agency represents Habersham and other kitchen, bath and furnishings lines.

As part of its selection and services, AKG will offer a first-hand look at Habersham's custom cabinetry capabilities. Within the space, visitors will see a kitchen reflecting the simple lines and clean styles of the company's newest, transitional American Treasures® cabinetry style (above left); another style designed for smaller spaces (right); as well as a number of Habersham's latest furniture designs, including the new American Treasures® Nantucket Display Cabinet shown here (bottom left). The space will also showcase **Aga** appliances, **Charleston Forge** seating and more.
